

FOR IMMEDIATE RELEASE

First Annual **Vía Diseño Exposición** of Architecture & Industrial Design Student Projects

Opening Event 4pm May 4, 2016

Tecnológico de Monterrey, Campus Estado de México

[Tecnológico de Monterrey, Campus Estado de México](#) is pleased to announce the first annual **Vía Diseño Exposición**. This comprehensive exhibition of the architecture and industrial design departments will include projects of all of the project classes of the design department. The exhibition will include more than 100 student projects in four categories, Industrial Design, Architectural Design, Civil Engineering and the Fundamentals of Design.

The **Vía Diseño Exposición** coincides with the final projects of the graduating students of the architecture and industrial design departments. The inaugural exhibition will include a campus wide student designed reimagining the campus thoroughfare including a built environment, interactive exhibits and wayfinding.

Tecnológico de Monterrey Campus Estado de México is ranked the 9th design school of Latin America and the 49th design school worldwide according to the [2016 QS Code Survey](#). The Industrial Design and Architecture department of Tecnológico de Monterrey Campus Estado de México combine a global perspective while maintaining a Mexican approach.
